

Hansi Radhakrishnan

Undergraduate – University of Kelaniya

PROFILE

I am a goal driven individual who can adapt to changing and challenging environments. As an undergraduate who always has multiple areas to focus on, I excel in managing my time wisely and neatly to meet my end goals. I also have excellent team spirit and can-do attitude that would be beneficial for any organization.

WORK EXPERIENCE

Computer Support Specialist

Paperline Trading (Pvt) Ltd. – Kandy

Mar 2022 – July 2022

My responsibilities here include analyzing the existing stock maintenance system of the company and identifying the shortcomings in contrast to the requirements of the company, coordinating with the software providers, training and assisting the office staff to operate the system, troubleshooting minor network errors or IT related hazards as well as handling the online platforms of the company.

Content Writer (Part Time)

Cloud Content Marketing (Pvt) Ltd. – Kandy

Mar 2019 – Jul 2020

My responsibilities here included finding facts and data regarding specific topics and compiling articles to fit the requirements of foreign clients. This was a part time job that enabled remote working facilities. Under this role I wrote many internationally published articles on various topics ranging from technology, logistics, marketing and so on.

EXTRA CURRICULARS

Secretary – Executive Board 2022/23

LED KLN – University of Kelaniya

Mar 2022 – Present

My responsibilities here include overseeing the overall processes of the club activities, creating and maintaining the necessary documentations such as guidelines and reports, proofreading and finalizing all printed or digital media that represents the club. As an executive board member, I also work closely with our members ensuring to maintain a trustworthy and an approachable connection.

Secretary – Executive Committee 2019/20

Information Technology Students' Association – University of Kelaniya

Jun 2021 – Present

As a founding member of the ITSA, my responsibilities here included creating, defining and overseeing all the association's processes, creating and maintaining the necessary documentations as well as writing, proofreading and finalizing all printed or digital media that represents the club including the website content.

Co-Editor – Board of Officers 2021/22

UOK ISACA Student Group

May 2021 – May 2022

My responsibilities here included creating, proofreading and finalizing content for all printed or digital media that represents the student group such as social media content, captions, event scripts, etc.
